

It's The Season of Giving!

2nd Service Project

The Beta Club is asking all families to cheerfully donate one or more of the following items: **hat, gloves, scarf, and/or coat**. As you holiday shop, please place these items on your lists. These clothing articles will help provide warmth and cheer during this holiday season to families in the Roseland community.

All items will be collected on Wednesday, December 19th. You have three roaring weeks to bring in your new clothing items.

In addition to this, each homeroom will purchase one toy. Please donate \$1.00 by Monday, December 18th.
