water  
flosser\***

**Dental  
Screenings\***

## Dental Careers Program

Flossy Friends Academy is a free, hands-on enrichment program created by Dr. Ayanna Williams and the team at Friendship Pediatric Dentistry to introduce 5th - 12th grade girls to the exciting world of dentistry. Through interactive lessons, real-life demonstrations, and mentorship from dental professionals, participants explore careers such as dentists, dental hygienists, and dental assistants - all while building skills, confidence, and having fun.
